

NAMC'S 3-6 MONTESSORI HOMESCHOOL PROGRAM MATERIALS

Montessori materials are a crucial element of the method, however, they can be costly. And finding appropriate materials for your homeschool program can be a time-consuming job. To make it convenient and cost effective for you, NAMC's 3–6 Montessori

Homeschool Program comes with a range of quality hands-on materials. Also included are detailed, easy-to-follow preparation instructions that guide you through the creation of your own hand-made Montessori materials for all the curriculum areas.
